SELECTION CRITERIA:

Adjunct Faculty will be appointed by the competent authority based on the recommendation of a committee. Period of empanelment will vary from 06 months to 03 years as decided by the Institution on mutually agreed terms and conditions. It is expected that any application for adjunct faculty is first discussed at the department level. The department may forward the application with comments specifying the suitability of such candidate(s) in the department / institution level academic activities. If the department recommends a case for adjunct faculty, the same should be examined by a committee comprising of following:

1. Head of the Institution or his nominee (Chair).
2. Head of the concerned Department.
3. Dean (Academic / Research)
4. One External Expert (Nominated by head of the institution).
5. An academician representing SC/ST/OBC/Minority/Women/Differently-abled categories to be nominated by the Head of the institute, if any of the candidate

representing these categories is the applicant and if any of the above members of the selection committee does not belong to that category.

At least four members, including one outside subject expert shall constitute the quorum.

ROLES AND RESPONSIBILITIES:

The empanelled adjunct faculty is expected to undertake following assignments:

Teaching:

- Teaching load of 12-16 Hrs per week is expected.
- Adjunct faculty will be expected to teach courses directly related to his specific expertise and professional experience or the areas of his specialization.
- He may also contribute to the institutions activities like counselling of students, developing new course(s) and pedagogical improvements.
- Adjunct faculty may also be involved in the M.Tech. / Ph.D. coursework based on his professional and research proficiency adjudged by the concerned institution.

Training:

- Adjunct faculty will be expected to facilitate the setting of workshops and labs, providing hands on training in the relevant domain areas, development of soft skills, and focus on ensuring competency-based learning outcomes among students.

Research:

- Adjunct faculty is expected to interact with and supervise the research students in the area of his specialization or professional proficiency. However, there should be preferably one core faculty member associated as Supervisor / Co-supervisor for smooth induction and coordination of academic procedures.
- The adjunct faculty may lack a traditional academic background in such case, they are not expected to contribute to the institution's research and creative mission by participating in traditional scholarly activities (i.e., they are not expected to conduct independent research and/or publish in peer-reviewed journals).
- Instead, he may participate by advising faculty on their research projects, serving as a liaison between the institutions and industry or government entities to identify research and/or funding opportunities or by working with faculty to identify research projects that would benefit private industry and/or government entities.

Services:

- Adjunct faculty is also expected to actively participate in service-related activities, such as sitting on departmental committees, serving as advisors to faculty and/or undergraduate and post graduate students, helping students' network, and active

collaboration with the industry / employer providing internship and job opportunities.

TA/ DA AND HONORARIUM:

- Total Honorarium will be ₹ 80000/- (Rupees Eighty Thousand only) per month
