

Government college of Engineering, Amravati

Presents

ETAS

(Electronics and Telecommunication Association of Students)

22 October 2023

A Panchapran Shapadh and a Amrutyatra was held in Government College of Engineering, Amravati under the activity named **MERI MAATI ,MERA DESH**. This programme was held at college ground which further included a rally in college campus . Programme commenced at 10:30 AM on dated **21 October 2023**.

Students and respected faculty members from all the departments of college were gathered on college ground. They all swore a pledge which is called **PANCHAPRAN SHAPADH**. Some of the students lifted

the **Amrut Kalash** consisting of soil which was collected by different areas by the students. A rally was organized in the college campus and around the nearby college area. . Later all headed towards the other ground in the college campus where they created an **AMRUT VATIKA**. Students and faculty members planted saplings in Amrut Vatika. Programme was concluded with a vote of thanks.

The following are the glimpses of the Programme:
