Conference

on

Environment Pollution Prevention

and Control

(EPPC 2022)

In

Association with

MPCB

Sponsored

Project

On 27th September, 2022

Introduction

Environment is precious for the well-being of future generations. Judicious management and protection of the environment is a basic need for sustainable development. Issues related with prevention of pollution, treatment and aspects associated with pollution and management control are essential to the future. This conference is intended to focus such issues for the benefit of Environmental engineers/scientists working in design, planning, construction, maintenance and research. The recent technological and scientific developments associated with Environmental prevention and control will be presented in the conference.

About Institute

Government College of Engineering, Amravati was established in 1964. The institute has been awarded an autonomous status in the year 2006 by Government of Maharashtra and affiliated to Sant Gadge Baba Amravati University, Amravati. Institute offers seven UG and eight PG programs in engineering disciplines. The institute has its own campus spread over 105 acres of land. Over the years, the college has developed by leaps and bounds into a premier institute of India, catering to the needs of industries, public sector undertakings, institutes and community in general.

The institute has successfully completed a World Bank assisted project under Technical Education Quality Improvement Program (TEQIP) Phase-I and Phase-II by Govt. of India. The Institute stood at 33rd rank all over India as per outlook survey report 2019.

Government College of Engineering, Yavatmal, (GCoEY) is established in 2018 and affiliated to Babasaheb Ambedekar Technical University Lonere (BATU).

CALL FOR PAPERS

Papers related to the themes mentioned are invited from Diploma Students, Under Graduate students, Post Graduate students and research scholars only from Diploma and Engineering Colleges.

BEST PAPER Prizes for students

1st Prize- 1000/-

2nd Prize-750/-

3rd Prize-500/-

Participation Certificate to all participants.

Themes

1. Urban wastewater treatment and management
2. Rural wastewater treatment and management
3. Recycling of waste water
4. Decentralized sanitation
5. Public Private Participation in water and environmental Projects
6. Industrial waste treatment
7. Value added products from waste for Solid Waste Management
8. Climate change and its impact on environment
9. Environment Biotechnology
10. Water resources management
11. Reduction of Water footprint
12. Sustainable development
13. Carbon Credit Earning
14. Any topics related with environment

Guidelines for Submission of Paper

The full text of paper is to be limited to a maximum of 8 A4 (210mm x 297mm) size pages including tables and figures. The guidelines for authors are enclosed separately. Authors are expected to submit the full length paper in soft copy and scanned copy of the copy right transfer form by email to wankhade.archana@gcoea.ac.in kamble.shubhangi@gcoea.ac.in

DATE AND VENUE

The conference will be held on 27th September, 2022 at AV Hall, Government College of Engineering, Amravati.

IMPORTANT DATES

Submission of full length paper: September 22, 2022

Communication of acceptance of paper:

September 24, 2022

Deadline for final submission & Registration:

September 24, 2022

REGISTRATION FEE

Students and Research Scholars: Rs. 200/-

All the payments shall be made by NEFT/RTGS on a/c no. 30775547389 , bank SBI, IFSC Code: SBIN0012011, Branch: GadgeNagar,Amravati,A/C holder: Principal, Government College of Engineering, Amravati,DD in favour of **Principal, Government College of Engineering, Amravati payable at Amravati.**

The fees will cover e-proceedings, one set of delegate kits, working lunch and tea during the conference.

Travelling, lodging, boarding and other expenses will have to be borne by the participants. Accommodation will have to be managed by the participants only.
