Presents

Network Quest

August 9, 2024

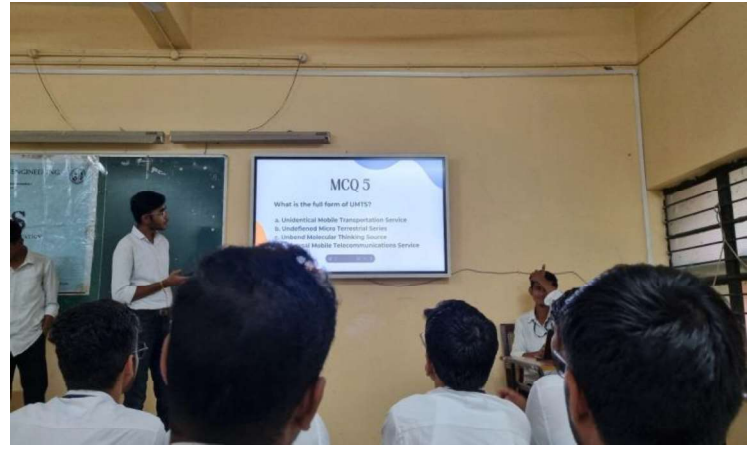

On August 9, 2024, ETAS conducted Network Quest under the guidance of faculty In charge Prof. R. R. Harne and head of Department Dr. P. R. Deshmukh sir. The Network Quest Quiz Competition featured three engaging rounds, as participants tested their knowledge on generations of network from 1G to 5G. This contest took place in ET10 class room of the Electronics and Telecommunication department at 3:00 pm. The event was attended by the Students from 2nd to 4th year of Electronics and Telecommunication department. Total 17 pairs participated. The competition was meticulously organized by Overall Convenor Mihir Jaiswal, Overall Co-Convenor Sakshi Sinha, Convenor Yash Randive and Co-Convenor Sharvari Sawarkar and ETAS committee members.

The first round commenced with a dynamic multiple-choice question (MCQ) session, utilizing a buzzer system. The MCQ round was intense, with participants displaying quick thinking and thorough knowledge of various generations of Network.

Following the initial round, the second round introduced a more complex challenge involving a match-the-following exercise, an assertion-reasoning and crossword puzzle. This round tested their comprehension and analytical skills. The top two pairs from round 2 advanced to the final stage of the competition.

The final round featured a debate on "Urban vs. Rural: Is the Expansion of Advanced Networks Widening the Digital Divide?" showcasing participants' oratory and critical thinking skills. Arun Lilhare and Aditya Vaidya won first place, with Vashishtha Padole and Chitresh Sawarkar as runners-up. The event's success highlighted the

participants' dedication and the well-organized competition, thanks to the efforts of the organizers and the ETAS committee.
