Open Discussion For GATE Aspirants

On 7th February 2025, the Electronics and Telecommunication Association of Students (ETAS) organised an insightful session for GATE aspirants under the guidance of Prof. Dr. P.R. Deshmukh Sir and Prof. R.R. Harne Madam Faculty Incharge (ETAS). The event was inaugurated in the presence of Prof. S.J. Meshram Madam and Prof. D.B. Maheshwari Madam, adding to the significance of the occasion. The event was meticulously co-ordinated by Overall Convenor Mr. Mihir Jaiswal and ETAS committee members. The session, led by Dr. D.V. Rojatkar Sir, was designed to help students understand the importance of the Graduate Aptitude Test in Engineering (GATE) and provide effective preparation strategies.

Dr. Dinesh Rojatkar Sir, an Associate Professor in Electronics and Telecommunication Department at Government College of Engineering, Amravati, with 24 years of teaching experience. He has guided multiple research scholars, contributed significantly to academia, holds a granted patent and has published over 50 international journal papers and 25 conference papers.

The event commenced with Ms. Aarti Bhande as the anchor, setting an engaging tone for the session. Dr. Rojatkar Sir led the session with comprehensive presentation, offering valuable insights into the GATE preparation process, including study plans, exam strategies and a structured roadmap to success. His talk emphasised how GATE opens doors to opportunities for higher studies such as M.Tech, M.Sc and Ph.D. as well as enhances career prospects in both academic and professional sectors.

The session attracted a large number of participants from various branches, reflecting widespread interest in GATE. Participants were provided with certificates recognising their engagement and commitment to preparation.

A highlight of the event was the interactive Q&A session, where students had the opportunity to clarify their doubts about GATE preparation and exam patterns. Dr. Rojatkar Sir thoughtfully addressed various concerns, particularly regarding how to balance academics with GATE studies.

The session concluded with a vote of thanks from Mr. Mihir Jaiswal, the overall convener of ETAS, who thanked the speaker and participants. The event proved to be an excellent opportunity for students to receive valuable guidance and motivation for their GATE journey, helping them make informed decisions about their academic and professional futures.

The image displays a promotional poster for an event and a photograph of the speaker. The poster, on the left, has a blue background with yellow and white text. It features the logos of the Government College of Engineering, Amravati and ETAS (Electronics and Telecommunication Association of Students). The main title is "OPEN DISCUSSION FOR GATE ASPIRANTS". The date and time are "February 7th, 2025, 2:30 PM At Civil AV Hall". A yellow button says "REGISTER NOW". A QR code is provided for registration. The speaker is "DR. DINESH V. ROJATKAR", an Associate Professor [ETC] and Dean [Corporate Affairs]. The topics to be discussed are "Different career options", "Career Development", "Strategies for cracking GATE", and "Information about Educational & Training requirements". A note states "Certificates will be provided for all attendees". The photograph on the right shows Dr. Rojatkar, a man with a mustache wearing a pink shirt and light blue trousers, standing on a stage in front of a greenboard and a screen displaying the ETAS logo.
