Detailed Guidelines for the Appointment of Professor of Practice

Preamble

The National Education Policy 2020 seeks to transform higher and technical education by focusing on skill- based education to meet needs of the industry and the economy. Further, the NEP also recommends integrating vocational/technical education with general education and strengthening industry-academia collaboration in HEIs. For skilling of youth at the optimum level, learners are required to think like employers and employers are to think like learners. Towards this, the UGC/GoM has taken a new initiative to bring the industry and other professional expertise into the academic institutions through a new category of positions called “Professor of Practice”. This will help to take real world practices and experiences into the class rooms and also augment the faculty resources in higher education institutions. In turn, the industry and society will benefit from trained graduates equipped with the relevant skills.

OBJECTIVES:

- i. To develop courses and curriculum to meet the industry and societal needs and enable the HEIs to work with industry experts on joint research projects and consultancy services which will be mutually beneficial;
- ii. To bring in distinguished experts from various fields such as engineering, science, technology, entrepreneurship, management, chartered accountancy (CA), commerce, social sciences, media, literature, fine arts, civil services, armed forces, legal profession and public administration into the academic institutions;
- iii. To enable the higher education institutions to formally associate with persons of eminence and encourage them to participate in experiential learning, research, training, skilling, entrepreneurship and extension and to play mentoring role.

ELIGIBILITY:

- i. Distinguished experts who have made remarkable contributions in their professions from various fields such as engineering, science, technology, entrepreneurship, commerce, social sciences, media, literature, fine arts, civil services, armed forces, legal profession, community development, Panchayati raj, rural development, watershed

development, water-harvesting, organic farming, small green energy systems, municipal planning, community participation, gender budgeting/planning, inclusive development of tribals and public administration among others. Those who have proven expertise in their specific profession or role with at least 15 years of service/experience, preferably at a senior level, will be eligible for Professor of Practice.

- ii. A formal academic qualification is not considered essential for this position if they have exemplary professional practice in lieu. These experts will also be exempted from the requirement of publications and other eligibility criteria stipulated for the recruitment of faculty members at the Professor level. However, they should possess the skills to carry out the duties and responsibilities specified in the following section.

DUTIES AND RESPONSIBILITIES:

- i. The person appointed under this scheme shall teach at least one subject/course to third year /fourth year students and carry out teaching work as assigned to regular professor. He/she should carry out the students' projects, assessment, examination /valuation work etc.
- ii. Involve in the development and designing of courses and curriculum.
- iii. Introduce new courses and deliver lectures as per institutional policies.
- iv. To encourage students in innovation and entrepreneurship projects & provide necessary mentorship for these activities.
- v. To focus on enhanced industry-academia collaborations.
- vi. Conduct jointly in collaboration with regular faculty member of the institution, workshops, seminars, deliver special lectures and training programmes.
- vii. Carryout joint research project or consultancy services in collaboration with the regular faculty member of the institute.

GENERAL CONDITIONS:

- i. The engagement of Professor of Practice will be for a fixed term (academic session 2024-25).
- ii. The engagement of Professor of Practice will be exclusive of the sanctioned posts of a institute. It will not affect the number of sanctioned posts and the recruitment of regular faculty members.
- iii. Professor of Practice is not open for those in teaching profession- serving or retired.
- iv. **There is no upper age limit for the candidate.**

PROCEDURE FOR SELECTING PROFESSOR OF PRACTICE

- a. The Principal may invite nominations from eminent experts for Professor of Practice positions.

- b. The experts willing to serve may also be nominated or they can send their nomination to the Principal with a detailed biodata and a brief write-up about their potential contribution to the institute.

SELECTION COMMITTEE FOR APPOINTMENT

- a. A selection committee will be constitute consisting of two senior Professors from the institute and one eminent external member.
- b. Based on the recommendations of this committee, the Academic Council and BoG of the institute will decide on the engagement.

TENURE

- i. The engagement is purely on temporary basis may be initially for up to one year (academic session 2024-25).
- ii. At the end of the initial engagement or subsequent extension, the institute will make an assessment and take the decision about extension.
- iii. The institute will devise its own assessment procedure for extension based on the contribution and requirement of the experts engaged as Professors of Practice.
- iv. The maximum duration of service of Professor of Practice at a given institution should not exceed three years and is extendable by one year in exceptional cases and the total service should not exceed four years under any circumstances.

Other Terms and Conditions:

- i. All the decisions related to the services and service conditions of the selected candidates will be taken as appropriately by the statutory bodies of Government College of Engineering Amravati.
- ii. These appointments are on purely temporary basis for academic session 2024-25 in consultation and approval of the Board of Governance (BoG) of Government College of Engineering Amravati.
