

Research Papers Published by the teachers of the Department: (Write details regarding the Title of paper, volm, year, Author)

Sr. No	Author Names	Name of Conference/Journal	Title of Paper	Volume of Paper	Year of Publication
1	Dr. P. N. Chatur Sheetal S. Dhole Prof. A. V. Deorankar Dr. K. A. Waghmare	International Journal of All Research Education and Scientific Methods (IJARESM)	Comprehensive Review on Data Protection Using Various Cryptographic Algorithms for Cyber Security	Volume 12, Issue 5	May-2024
2	Dr. P. N. Chatur Sheetal S. Dhole Prof. A. V. Deorankar Dr. K. A. Waghmare	2024 Third International Conference on Electrical, Electronics, Information and Communication Technologies (ICEEICT 2024)	Improved Hashing Algorithm for Data Integrity and Security	--	24 - 26, JULY 2024 Trichy, Tamil Nadu, India
3	Prof.Dr.P.N.Chatur Ms.Pallavi.S.Wankhede	UGC-CARE Approved Group 2 Journal GIS Science Journal	Survey On Early Diabetic Prediction Model Using Deep Learning	Volume 11, issue 5	2024
4	Prof.Dr.P.N.Chatur Prof.Dr.A.V.Deorankar Prof.Dr.K.A.Waghmare Ms.Pallavi.S.Wankhede	International Journals Of Ongoing Research In Science and Technology	Review On Early Diabetic Prediction Model Using Deep Learning	Volume 8, Issue 5	2024
5	Prof. A. V. Deorankar, Miss	Journal- GIS SCIENCE JOURNAL an UGC-CARE	Title- "Survey on Advance Machine	Volume 11, Issue 4, April	2024.

	Nikita Nandeshwar,	Approved Name of Group 2 Journal,	Learning Based Decision Support System for Frauds Detection and Prevention In Online Banking"		
6	Prof. A. V. Deorankar, Miss Nikita C. Nandeshwar,	'IJSRCSEIT' International Journal of Scientific Research in Computer Science, Engineering and Information Technology,	Research on Advance Machine Learning Based Decision Support System for Frauds Detection and Prevention in Online Banking System"	Volume 10/ Issue 3/ CSEIT24103131	14-Jun-2024.
7	Dr. Kamlesh Waghmare	, GIS Science Journal UGC Care Group-II Approved	A survey on Disease prediction chatbot using machine learning	Vol 11 Issue 1	2024
8	Dr. Kamlesh Waghmare	International Journal of ongoing research in science and engineering	Health Disease prediction chatbot using machine learning	Vol 8 Issue 3	2024
