## About the Institute

Government College of Engineering, Amravati was established in 1964. The institute has been awarded an Autonomous status in the year 2006 by Government of Maharashtra and is affiliated to Sant Gadge Baba Amravati University, Amravati. Institute offers seven UG and eight PG programs in engineering disciplines. The institute admits Ph.D. scholars under Quality Improvement Program (QIP) and National Doctoral Fellowship scheme (NDF) of AICTE in Civil, Mechanical and Electrical Engineering disciplines and has six departments recognized to offer Ph. D. programs. The institute has its own campus spread over 105 acres of land. Over the years, the college has progressed by leaps and bounds into a premier institute of India, catering to the needs of industries, public sector undertakings, institutes and community in general.

The institute has successfully completed World Bank assisted projects under Technical Education Quality Improvement Program (TEQIP) Phase-I and Phase-II of Government of India. The Institute stood at 31st rank all over India as per outlook survey report 2018.

### Objectives of the Course:

The goal of any technical institution is to produce skilled, globally competent professionals through quality technical education and to prepare them for immediate employment. Industry-institute interaction promotes industry experts to participate in curriculum design which plays a significant role in preparing the students ready for the industry. The objective of this FDP is to give best platform for learning how to produce skilled,

globally competent professionals through quality technical education. This training program is being organized by DTE Maharashtra under under “Quality Improvement and Industry Interaction for Degree Institutes” for the faculty members of Government Degree Institutes.

### Key Topics:

- Attributes of 21<sup>st</sup> Century Engineers
- Internship and Inplant Training
- How to enhance Industry Institute Interaction
- Expectation of Industry from graduates
- New trends in Academics
- Philosophy of Outcome Based Education
- Outcome Based Education Implementation
- Time management

### Resource Persons:

Renowned Faculty and experts from reputed autonomous institutions like VNIT, CoEP and Industries will be the resource persons for this course.

### Eligibility:

This training program is for full time faculty members of Government Degree Institutes (Engineering and Pharmacy) under Directorate of Technical Education Maharashtra. In case of less response from Government degree colleges, faculty from Government Polytechnics will be allowed to participate in the training.

### Accommodation:

The participants have to make their own arrangement for stay during the course.

### How to Apply:

Registration fees of Rs. 1000/- (refundable) per participant is to be paid in the form of Demand Draft drawn in favor of “Principal, Government College of Engineering, Amravati”, payable at Amravati along with the registration form duly filled and signed by Head of the Institution. In case the selected participant does not attend the course, the amount will not be refunded.

The completed application form should be submitted on or before 29<sup>th</sup> January 2020. To avoid delay in postage, the applicants can send scanned copies of DD and registration form by E-mail to course coordinator at [training.gcoea@gmail.com](mailto:training.gcoea@gmail.com) and at the time of training come along with original DD + registration form. The selected participants will be informed by e-mail only, latest by 31st January 2020.

The Breakfast, working Lunch, and Tea will be provided to participants during training days.

### Important Dates:

Last date for Registration:  
**29<sup>th</sup> January 2019**

Intimation of Acceptance by Email:  
**31st January 2019**
