Subject :- Alumni and parent meet

Government College of Engineering, Amravati is an Autonomous Institute of Government of Maharashtra. It is one of the premier Institute in Vidarbha region. Alumni and Parents are the important stake holder of this Institute. Institute is made by students and their enthusiasm which put rhythm in the surrounding of premises, classes & canteens. One can definitely understand this thing via looking the environment that institution posses. Everyone wants his/her Institute to be best in all forms, for that every student fight & compete in every possible way right from sports events, cultural events, technical and non-technical competition, to put name of their Institute on top. And institution is proud of such students who have participated in such competition and managed to achieve medals, certificates & trophies. And all these things collectively have given fruitful results to the Institute in the form of raising the rankings & grade of institution on National Level Committees.

In the view of National Assessment and Accreditation Council, Bangalore, visiting our Institute these coming days, Institute wants to arrange small virtual meeting using WebEx of parents and alumni with professors & authorities of our institution. Agenda of the meeting will be regarding environment, development, activities & feedback from the point of view of parents and alumni. Interesting parents/ alumni can reach out us by filling up google form (link will be provided from whatsapp groups).

This will help Institute to achieve the best rankings & grade from NAAC/ NBA, which is fruitful for students in longer run. So, with utmost urgency fill up contact details of your parents, selected number of people will be chosen from each branch, due to time constraint.

The deadline of filling up the forms will be till **Feb 18th, 2021 Wednesday.**

Virtual meeting will take place on **Feb 20th, 2021 Saturday 12 pm.**

The link will be provided on contact details that you fill up.
